

Step by step guide to donate or sponsor Rafale ETS

Thank you for helping Rafale ETS! Your help will make it possible for us to compete and create the best renewable sailboat prototype possible. Do not hesitate to follow our adventures on our social medias ([Instagram](#), [Facebook](#), [LinkedIn](#)).

To donate or give a monetary sponsorship to us, you simply have to follow these steps:

1. Use one of the following links, preferably the active campaign:
 - a. Active campaign (Available until June 24th 2024):
<https://www.jedonneenligne.org/fdets/campagne/ets/challenges/view/0b1a603c-6873-11ee-ac26-001dd8b75df7?lng=1>
 - b. General donation link (Skip steps 2 and 3):
<https://www.jedonneenligne.org/fdets/CLUBSCWEB/>
2. Click on “Support”.

3. Enter details about the visibility of your donation. We are looking forward to the message you will leave us.

4. Choose the amount of the donation (“Montant du don” field) or sponsorship (“Montant de la commandite” field).

Note: As specified on the page, sadly only available in French, a donation will allow ETS to give you a tax break recipe but no visibility. An amount given as sponsorship will not give a tax break, but we will give you visibility according to the modalities in our sponsoring document and you need to contact us directly as well ([email](#)) to give us more information.

- a. If using the general donation link (Skipped steps 2 and 3), Choose “**RAFALE ÉTS – Voilier volant**” for the “Nom du club ou regroupement” field.

5. Choose if the donation or sponsorship is personal or from a corporate organization.

6. Fill in personal information.
